

Dear Parents/Carers,

During this school year your child will be involved in:

1. Excursions/Sport (within walking distance from school)
2. Curriculum activities
3. Being photographed or filmed by different media outlets

We would like your permission so that your child can participate in these worthwhile programs and activities. If you require any further information, please contact the school or your child's teacher. If you could fill in the permission note below and return it by Friday, it would be greatly appreciated.
