

To The Principal,

We recently managed to get a week away at a Big 4 Caravan Park in Narooma. Midway through our break we were surprised by the arrival of some 65 of your year 5 children with their directing staff and some parents.

I write this to ask that your pass on to those adults and children our congratulations at the manner in which they conducted themselves during their stay. We were pleased to be a part of their 'Talent Quest' as 'Guest Judges' and all of the guests at the park had only praise for the camp.

The parents, staff and children are a great advertisement for your school and ambassadors for the Batemans Bay area.

Regards,

Bob and Pat Reed

Goulburn NSW
